Dear Sir,

We, the members of the BUET Alumni Association of Calgary (BUETAAC), a non-profit, non-partisan organization based in Calgary, Alberta, Canada, write to express our deep concern regarding the recent unrest observed on the BUET campus.

As an alumni association, we believe,

- Students of BUET should engage in student affairs for the development of the institution without any affiliation to any political or organizational entity.
- BUET has witnessed a period of academic stability and significant improvement in global academic rankings over the past five years. It is imperative to sustain this upward trajectory by steering clear of partisan affiliations influenced by national politics.
- The safety and security of all students must be ensured.

We trust in the ability of BUET's administration to undertake the requisite measures in the appropriate direction to provide the best academic experience for the students. It is our sincere hope that the current unrest is swiftly and amicably resolved, fostering an environment conducive to academic excellence and harmonious campus life.

Sincerely,

BUET Alumni Association of Calgary
